Good morning Pat.

I would like to schedule the one hour (informal), **"ELC Second Quarterly Calls with Grantees"** that Alvin Shultz referenced at the 2012 ELC Annual Meeting. To reiterate, the purpose of these forums are to provide a mechanism for two way communications and discussions specific to the ELC Program. In addition, we would like to engage the Governance Team in these calls (when logistically possible). As outlined in the 2012 ELC Funding Opportunity Announcement:

*"The required role of this Team is to work together to assure sufficient and appropriate oversight and integration of epidemiology, laboratory, and health information systems in your ELC planning and implementation, including integration of ELC-Program Components and ELC-ACA cooperative agreements."*

I have also attached a proposed agenda; please feel free to provide comments on its contents. The best dates/times for our scheduling the one hour call are:

Monday, March 26<sup>th</sup> 10:00am to 11:00am;  
Tuesday, March 27<sup>th</sup> 3:00pm to 4:00pm  
Wednesday, March 28<sup>th</sup> 10:00am to 12:00 Noon; 2:00pm to 4:00pm  
Thursday, March 29<sup>th</sup> 10:00am to 12:00 Noon; 2:00pm to 4:00pm  
Friday, March 30<sup>th</sup> 11:00am to 12:00 Noon; 2:00pm to 3:00pm

Please provide two options (Option 1 and Option 2) of dates/times that you could be available, as we are trying to accommodate multiple grantees. Upon receipt of your reply, I will immediately confirm the date/times which are currently available, based upon your "options". I appreciate your patience and understanding as we try to make this as smooth a process as possible.

If you have any questions pertaining to this communication, please do not hesitate to call or contact me at the earliest convenience.

Thanks in advance
